TGA Supersport

The looks borrow many cues from the motorcycle industry but the Supersport doesn't just have style, there's plenty of substance too. It's a really rugged scooter, on and off road. The large three wheel platform results in outstanding comfort, stability and manoeuvrability, mile after mile, year after year, whatever the conditions.

The operating lever allows an amazingly smooth finger tip control of speed forwards or in reverse. You can crawl at a snails pace, an inch at a time or quickly accelerate to the top speed of 8mph.

Release the lever and the Supersport automatically slows to a controlled stop and applies the parking brake.

- Strong cast alloy wheels with pneumatic tyres
- Rear anti-tip wheels for added safety and peace of mind
- Large rear basket as standard
- A range of different seat widths available as options

Specification

Length	162cm
Width	74cm
Height - seat and tiller folded	90cm
Height	73cm
Seat Width	50cm
Total Weight	119kg (262lbs)
Wheel & Tyre Size	Front 38cm / back 51cm
Turning Radius	91cm
Battery	2 x 12v
Motor	24v 1300watt
Controller	24v 125amp Curtis
Charger	24v 4amp
Maximum Speed	variable - up to 8mph
Approximate Range	20miles
Maximum Carry Capacity	200kg (31stone)
Ground Clearance	12cm
