Karma Falcon

The Falcon is suitable for medium- and short-distance travel. Lightweight and compact, it features a foldable frame and a removable compact battery pack. Perfect for your daily use, the Falcon is both convenient and portable.

Suitable for Mid-Short Distance Journeys and for Both Indoor and Outdoor Use One of the daily difficulties power wheelchair users encounter is manoeuvring in and through tight spaces like doorways and elevators. The Falcon is a compact medium-size wheelchair, meaning it is easier to manoeuvre around tight corners and through narrow doorways.

Specification
